

# Most Wonderful & SAFE 14 hand Arab For Lease for Some LUCKY child

Hannah is a loved, **SOUND, SAFE, SWEET**, extremely **SMOOTH RIDE & TRUSTED** mare for lease (or 1/2 lease) for some lucky young child. Perfect first pony experience - you just can't get better than Hannah in any way.

Hannah is living at Winter Rose Equestrian off Jomax and Scottsdale Road. It is a wonderful riding facility complete with 1/2 mile track, trails across the street, western trail course along with mailbox and "horse wash" to go through for children (and bridge to clomp over), covered arena, ample riding areas.

Hannah will NOT be allowed to leave the property. This is a home lease only.

€250 a month for 3 days a week. More or less can be negotiated.

This is the sweetest, most kind hearted and precious mare i have come across in my 40+ years with horses.
